# UN BRAVE PETIT BOURDON

Lorsqu'il est appelé à entrer en action, Bumblebee (affectueusement surnommé « Bee ») est un Autobot loyal, courageux, redoutable et agile, connu aussi bien pour ses impressionnantes aptitudes au combat que pour sa détermination sans faille à protéger les humains. Depuis le premier lancement en 1984 des robots jouets à succès Transformers, ce personnage jaune et noir aux modestes proportions a conquis le cœur des publics de tous âges dans d'innombrables aventures, des bandes dessinées aux jeux vidéo, en passant par les dessins animés et une franchise de films populaires. En dépit de sa taille, Bumblebee incarne un esprit résolument héroïque et profondément altruiste. Il était tout à fait naturel qu'il succède à LEGO® Optimus Prime dans notre gamme LEGO Transformers.

# LE MEILLEUR AMI DES HUMAINS

Bumblebee entretient un lien étroit avec la Terre et l'humanité. De fait, certains de ses meilleurs amis sont des humains. Il protège farouchement les humains qu'il apprécie et les autres Autobots. Malgré sa petite taille, ce robot compte parmi les Autobots les plus courageux et son dard peut renverser même le plus terrible de ses ennemis.

---

Optimus Prime ne pouvait rêver d'un ami et d'un allié plus dévoué dans la lutte contre les Decepticons. Malin, courageux et souvent plus rapide qu'on ne le pense, il est prêt à tout pour protéger les humains.

# LE MESSAGE DE L'ÉQUIPE DE DESIGN LEGO®

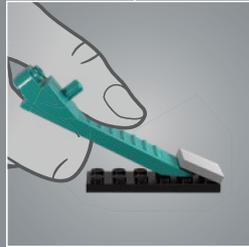

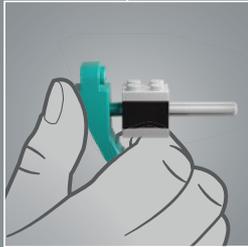

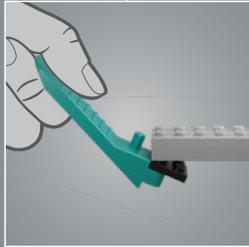

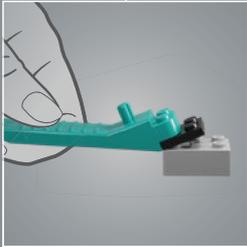

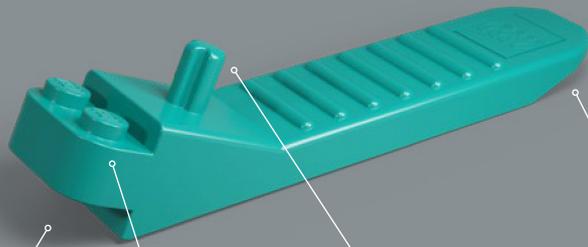

« Bumblebee est un personnage extrêmement attachant et nous voulions créer un modèle qui, en plus de reproduire fidèlement son apparence et sa transformation, rende hommage à sa longue histoire. Outre son canon bleu et le jetpack aux ailes d'abeille, vous trouverez de petits détails malicieux sur tout le modèle, tels que le petit élément abeille dissimulé quelque part, ainsi que les décorations et les autocollants imprimés à la signification particulière. La plaque est similaire à celle du set 10302 LEGO® Optimus Prime, les deux sets sont donc du plus bel effet lorsqu'ils sont exposés ensemble ! »

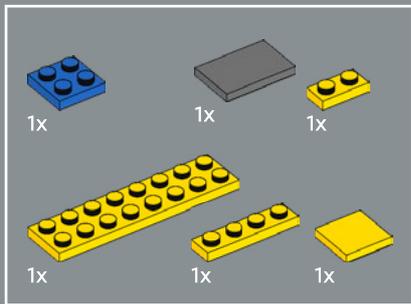

**Samuel Liltorp Johnson,**  
Design Manager LEGO® Icons

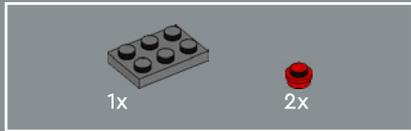

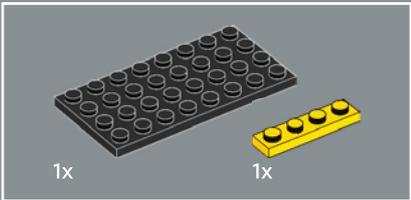

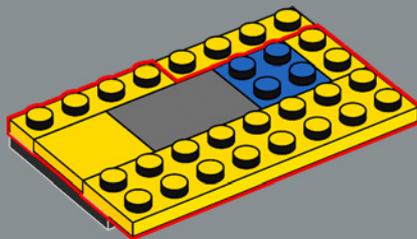

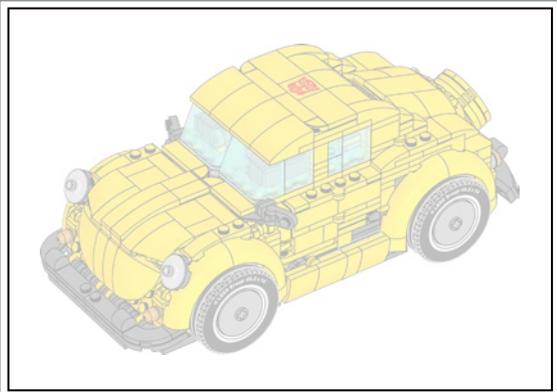

Le set 10302 Optimus Prime n'est pas inclus

Le modèle de Bumblebee s'accompagne de deux plaques d'immatriculation : « BMBL84 », en référence au dessin animé de 1984, et « GLDBUG », qui renvoie à sa reconstruction en Goldbug dans l'histoire.

Les autocollants de pare-choc montrent à quel point Bumblebee maîtrise parfaitement les codes urbains. Il arbore ainsi « I <3 Cybertron » (sa planète d'origine) et « Roll Out », (ou « Déploiement », l'expression préférée d'Optimus Prime). Le O de « Roll » présente un détail rappelant le jouet Bumblebee original.
